Burapha University Announcement

Ref 0292 /2017

Master and Doctoral Thesis Support Grants for International Postgraduate Students in Fiscal Year 2017

Burapha University is announcing its master and doctoral thesis support grants for international postgraduate students in fiscal year 2017, details of which are as follows:-

1. Aim

These thesis support grants aim to be given to the international postgraduate students in master and doctoral levels at Burapha University, who are conducting their research towards the completion of their master or doctoral theses.

2. Objective

To promote and support a production of high quality master and doctoral theses.

3. Criteria

The committee will carefully select the most highly potential postgraduate research proposals and make a recommendation for the grants by using the following criteria:

- 3.1 The impact and potential of the proposed research work embracing the application possibility and novelty;
- 3.2 Expected quality of the proposed research work as seen by considering the clarity of the proposals;
- 3.3 Applicants who are currently receiving a scholarship or similar grant that supports the production of postgraduate thesis are not eligible for this grant;
- 3.4 The applicant GPA;
- 3.5 It is a policy of this grant to evenly distribute the chances of receiving the grants to all Faculties in the University.

4. Number and amount of grants

Each grant is valued THB 10,000 and there are 20 grants in total.

5. The Applicant Eligibility

5.1 The applicant must be a full-time postgraduate student in Burapha University, who has passed his/her proposal examination and has at least 6 months left for their study until the termination of his/her program.

5.2 The applicant must not be a recipient of any other postgraduate thesis support grant or scholarship or anything similar.

6. General Conditions

6.1 The thesis proposal submitted for a consideration of this grant must have been accepted and approved by the Faculty of the applicant.

6.2 Once approved, the whole amount of this grant will be paid to the recipient.

6.3 The recipient of this grant must clearly indicate the phrase "This master/doctoral thesis has been supported by the master and doctoral thesis support grant from Burapha University, fiscal year 2017" in a page after the thesis approval page and in the acknowledgment.

6.4 Upon a completion of the research, the recipient must submit a CD containing electronic files of the thesis manuscript to the Research Promoting Division at the Divisional of the Educational Service, Burapha University.

7. Application Submission

The applicant must submit the following documents:

7.1 Application form which can be obtained from the applicant's Faculty or downloadable from the website <http://research.buu.ac.th>

7.2 A copy of approved thesis proposal;

7.3 A document indicating estimated budget used to complete the thesis;

7.4 Other documents as required by the specific grant.

8. Application Date and Announcement

The applicants who wish to apply for the support grants in fiscal year 2017 must submit the application form and other supporting documents from now until 15 June 2017. The successful application will be announced on 30 June 2017.

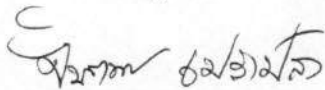

This announcement is made on 27 April 2017
